

SENIOR QUANTITY SURVEYOR

The Watkin Jones Group is one of the most successful, forward thinking and dynamic construction and development companies in the UK.

We are a multi-faceted and highly successful operation, creating cutting edge contemporary and classically stylish spaces for work, home and leisure at prestigious locations nationwide. In 2006 we were named in the Sunday Times Profit Track 100, a listing of Britain's fastest profit-growth firms. Although the company is forward looking, we are proud of our traditional values. We have a strong emphasis on craftsmanship and are highly committed to our employees, who we see as the key to our continued growth and success.

We are currently looking for an experienced hands-on Senior QS to monitor and ensure effective cost reporting for a mixed project based in Chester. You will have excellent communication skills and be happy to liaise directly with clients, senior management and other team members alike.

This is an excellent opportunity to join a well established and successful company that has a strong emphasis on craftsmanship and are highly committed to our employees, who we see as the key to our continued growth and success.
